Detective Frank Geyer of Philadelphia is assigned his most bizarre and dramatic case to date, where he'll exhaust an entire summer searching for three missing children. All the while, in Chicago, exploration into Holmes' World's Fair Hotel grips a nation. The press dub it the "Murder Castle."

Witness the very real investigation and sensational trial that put a stop to the century's most ruthless killer. A man born and bred in rural New Hampshire, who evolved into one of the most unique violators of law in American history. A handsome charmer skillfully making a place for himself among polite society while hiding an ugly secret.

This is the unmasking of Henry Howard Holmes.

ABOUT THE AUTHOR

Avree Kelly Clark's debut novel, *Malice Aforethought*, is the 2024 Eric Hoffer Award winner in Mystery/Crime, as well as the recipient of the First Horizon Award for outstanding debut novel. Clark's sophomore novel is inspired by the most infamous serial killer to come out of her native state of New Hampshire—a man born Herman Webster Mudgett.
